Overwhelmed by the school assignments and presentations?

Hard to figure out a period of holidays to visit other famous cities in Canada?

Want to visit as much as you can while spend the least money on trips?

Here are some advices to visit all the famous spots in Montreal and Old

Quebec City.

被學校的作業和報告壓得喘不過氣嗎？

很難再找到一段假期和朋友們探索加拿大其他知名城市嗎？

想要花最少的錢拜訪最多的地方嗎？

這裡是一些拜訪蒙特婁和魁北克所有知名景點的建議。

I will highly recommend to rent a car during the trip. However, if you are not

allowed to drive cars in Canada, visit #Busbud to buy the cheapest bus ticket!

For me, I got tickets which are both CAD 25 from Ottawa to Montreal and from Montreal to Quebec!

我高度推薦租車旅遊，然而，如果您不能在加拿大開車，那就到#Busbud 找最便宜的客運價格吧！

我這次從渥太華到蒙特婁，和從蒙特婁到魁北克的公車票價都是 25 加幣

#Busbud is a website that you can see all the prices and bus companies.

#Busbud 是一個可以看到所有客運公司和他們價格的網站!

➤ **Montreal 蒙特婁:**

It's convenient for visitors to travel in Montreal since you can visit all the spots by metro or buses!

In that case, I will highly recommend to buy a 1day pass (CAD 10) or 3day pass (CAD 19). With the day passes, visitors can take the buses or metro unlimited times.

對旅客而言，在蒙特婁旅遊很方便，因為可以乘坐公車和地鐵拜訪所有景點。

因此，我高度推薦購買一日遊(10加幣)或三日遊(19加幣)的交通票。有了一日遊或三日遊交通票，遊客就能無限制次數地搭乘地鐵及公車。

✧ Fantastic Laser Show- Basilique Notre-Dame de Montréal

教堂的雷射燈光秀- Basilique Notre-Dame de Montréal

Address: 110 Rue Notre-Dame Ouest, Montréal, QC H2Y 1T2

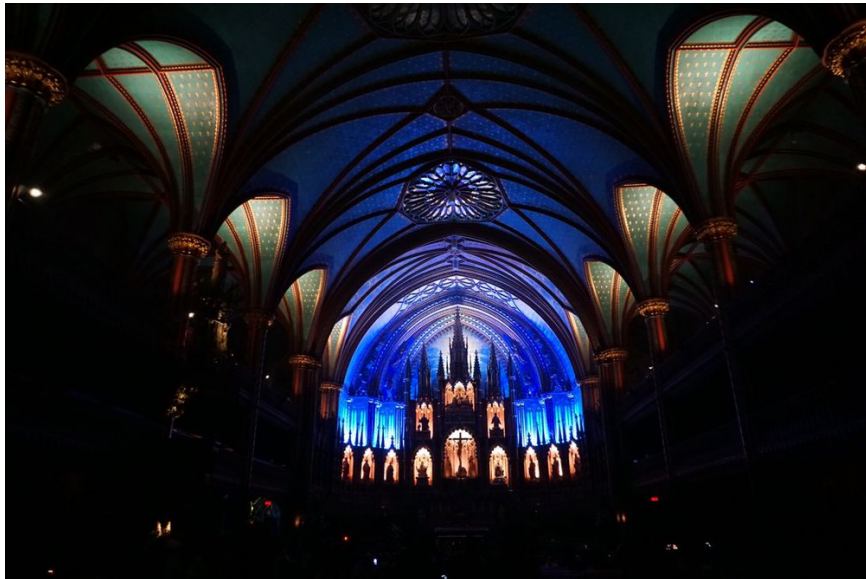

Web: <https://www.basiliquenotredame.ca/en/>

Tip 1:

I will highly recommend to visit here in the evening and watch the fantastic laser show!!!

第一招:

我強烈推薦在夜晚的時候拜訪這裡，並且欣賞絕佳的雷射燈光秀。

In the evening, the basilica will be decorated with beautiful lights outside!

And, if you want to, enjoy the music around in the basilica with the colorful laser lights! (tickets required)

夜晚時分，教堂外會點上美麗的燈光！如果您願意的話，就進入教堂享受音樂環繞及色彩繽紛的雷射燈光秀吧！（需門票）

✧ The most beautiful night view in Montreal- Mont Royal

蒙特婁最美夜景- Mont Royal

Transportation: take metro to Mont-Royal station, and take the bus #11 west to Remembrance / Chemin du Chalet (53745)

交通：搭乘地鐵到 Mont-Royal, 然後再轉乘巴士#11 西到 Remembrance / Chemin du Chalet (53745)

Tip 2:

After getting off the bus, visitors still have to walk on a small trail to the lookout

(see where people are coming from, and that is the way XD)

My friend and I just asked someone and followed others to find the lookout place.

I have to admit that it is the most amazing and breathtaking night view I have ever seen.

The lookout is really wide, visitors can enjoy the 180 degree night view and be astonished by the city view in Montreal.

第二招：

下了公車之後，還是得走一段小徑才能抵達瞭望台

（看人潮從哪裡來，走那裡就對了！）

我和我的朋友直接詢問路人並跟著他們走就到了

不得不說那裡的夜景真的美得領人屏息啊！榮登我所有看過夜景當中的第一名！

這個瞭望台很廣闊，在這裡你可以看到一百八十度零死角的夜景，並震懾於蒙特婁令人驚豔不已的市景！

❖ Classic feelings in town- Old Montreal

城鎮中的經典- 蒙特婁老城

The spots in Old Montreal are near. Instead of taking public transportations, walking and relaxing by the leisure atmosphere can feel and explore this classic place more.

The spots here include City Hall, Place Jacques-Cartier, Old Port, Bonsecours Market, and Chapelle Notre-Dame-de-Bon-Secours. They are quite nearby.

蒙特婁的景點都鄰近舊城，不需搭乘大眾運輸工具，用步行的方式不僅放鬆還能徜徉在悠閒的氣氛當中，更能細細品味這個雋永的城市。

這裏著名的景點有 City Hall, Place Jacques-Cartier, Old Port, Bonsecours Market, and Chapelle Notre-Dame-de-Bon-Secours，這幾個景點的距離都不遠。

Tip 3:

I would highly recommend to walk in Old Montreal in the evening. During the night time, every building is lightened up. In my opinion, compared to what they look like in the daytime, it's more beautiful and romantic with the lights on them at night.

第三招:

我很建議傍晚在蒙特婁舊城區漫步，晚上的時候，所有的建築都會打起燈，個人覺得對比早上所見，夜晚打上燈的景色更讓人覺得浪漫美麗，真的深得我心。

➤ Quebec 魁北克:

If you have a dream as me that to be a princess or prince in a castle, Quebec is the best choice for you to visit. There still remain gates and castles from the past time. While walking, it is usually to see a carriage pass by you.

如果您跟我一樣有一個在城堡裡的公主或王子夢，魁北克就是您旅遊最好的選擇。在魁北克仍舊留有舊時的城門和城堡。馬車經過您身邊也是常有的事情！

Tip1:

Walk, feel, and discover everything in this cute city.

Old Quebec City is quite small but pretty. Every store here is well decorated, they are all small, beautiful, and colorful. Visitors can see all the famous spots by foot only, such as Porte St. Louis, Basilique-cathédrale de Notre-Dame-de-Québec, Château Frontenac, Ville de Québec, and Citadelle of Quebec.

After taking the cable car, visitors can also see Royal Palace and Notre-Dame-des-Victoires through walking on Petit-Champlain, which I think is the most beautiful street in Quebec. When I visit there, there are a lot of Christmas decorations on the street. And all the stores are so elaborate that the scene impressed in my heart clearly and deeply. Walk a little bit to the river, Old Port is just in front of you.

第一招：

在這個可愛的城市裡漫步、感受、享受每一件事。

魁北克老城小而美，每一間商店都裝飾得很精緻，他們小巧、美麗，又極具色彩。

觀光客只需透過步行的方式就能逛完所有的景點，像是 *Porte St. Louis*, *Basilique-cathédrale de Notre-Dame-de-Québec*, *Château Frontenac*, *Ville de Québec*, and *Citadelle of Quebec*。

透過纜車一路向下，走在 *Petit-Champlain* 上，觀光客也能夠看見 *Royal Palace* 和 *Notre-Dame-des-Victoires*

那也是我認為魁北克城裡面最美的一條街道。

我去的時候街上有很多聖誕節的裝飾，過節的氣息十分濃厚，這裡的每間商店都經過精心佈置，也在我的心中留下深刻無法磨滅的印象。

再往河的方向走一點，就能看到 *Old Port* 在眼前。

Tip2:

The best place to see the St Lawrence River and Levis- Terrasse Dufferin!!!!

Picture time!

第二招:

望向 St Lawrence River 和 Levis 最好的地方- Terrasse Dufferin

Tip3:

Don't forget to come back to Old Port again in the evening, and look at the St Laurence River from Quebec. When the sky is dark, the beauty of the lights across the river is too beautiful to express only by words.

第三招:

別忘了在夜晚時回到 Old Port，從魁北克看向聖勞倫斯河。當夜幕下垂，在河的彼端，那燈火之美是難以僅用文字表達的。
