### 一、學友簡介

我的學伴來自德國科隆大學，來臺交換一個學期，目前是德國大學的三年級生。她在德國時，除了上課之外還有兼職當地的記者(Journalist)，是一位口才很好的女生。我們首先是透過Email聯繫上對方，接著用WhatsApp聯絡。除了我會向她介紹臺灣之外，她也很常跟我說科隆當地人很熱情，推薦我到當地旅遊。

Dear Lisa,

Guten Tag, Lisa! Hope this email can find you well.

My name is Betty, and my Chinese name is 李沛儀. I'll be your Taiwanese buddy during your exchange here. I am 19 years old and major in International Business. This email is to greet you and to ask if you need help.

You can ask me any questions you want to ask, such as accommodation, the tips to choose courses, attractions in Taiwan, food...etc. I am also willing to share our culture as well. Excited to hear from you! Btw, I've been learning German for nearly one year. Maybe we can have a language exchange. XD

My contact details are as follows:  
Gmail : [@gmail.com](#)  
Line : [https://line.me/](#)  
Phone : +886 963 636 816 (for Whatsapp)

Feel free to contact me!  
祝妳有美好的一天

Hi Betty,

thank you for your email, I am very happy to hear from you and get to know you soon! :)

My name is Lisa-Marie but you can call me Lima. I am 21 years old and major in Management, Economics and Social Sciences in Cologne. Also, I work as a journalist besides my studies.

Thank you so much for your offer to help me. Luckily, I got a spot in the iHouse for my semester abroad but I would appreciate your help when it comes to choosing courses as soon as the course lists are available online.

Also, I would love to have a language exchange! I also started learning Chinese a few months ago. And I would really appreciate if you could introduce me to Taiwanese culture. I can also introduce you to German culture if you like.

I just sent you two Instagram requests since I have two accounts (one for journalism and one for my private life) but I also rarely use both of them. :)

My number is +49 . I will send you a WhatsApp as well.

Ich freue mich, dich kennenzulernen! 我很期待能见到你

Kind regards,  
Lima

### 二、學友最喜歡臺灣的哪一點

學伴本人也很喜歡歷史，所以喜歡去有歷史特色的景點觀光，像是臺南，甚至是金門。她也認為臺灣人像她家鄉的人一樣，都很熱情，也喜歡上中文課，覺得學中文很有趣。

### 三、接待心得

她是一位健談的女生，一起聊天時，都能夠很暢快地談論各式各樣的主題，從她的話語當中，也能感受到她真的很喜歡科隆，時不時就會分享他們有特色的地方。

我自己也有在學德文，雖然還沒有到很厲害，但也會試著和她用德文聊天，有疑問時她也會回答我，是一個很親切的人。而她對新聞類的很有興趣，也有相當豐富的工作和實習的經驗，也很獨立，從她身上，我學到了很多有關於不同國度、不同生活方式、工作的知識。

#### 四、照片

(攝於2024/9/3，地點：大安區)

這天是我們第一次相見，在吃了一頓養身餐廳的午飯之後，我們接著去大安森林公園邊走邊聊，後來也聽到她說，她在德國時，朋友們見面也都是一起走路，比較不是去逛街。照片是在大安區一家餐廳拍攝的。
