

My Extracurricular Activities

◆ Bergen Student Skiing Trip (25th March)

- ◇ Fact: A fun-packed day at Eikedalen Ski-Centre on Thursday the 25th of March, an hour by bus from Bergen. At the end of the day, one can enjoy an after-ski party at Klubb Fantoft.

- ◇ Cost: The cost of the trip is 200 NOK and for this you will receive:
 - Bus ticket
 - Lift pass
 - Ski /snowboard instruction (if required)
 - After Ski with food at Klubb FantoftSki/snowboard rental is not included in the price; this costs an additional 200 NOK.

- ✧ My experience: You can enjoy the thrill of downhill skiing although it would be quite scary at the first beginning when you may be forced to experience “collapsing into the snow” several times. However, it’s a really cool activity. You should definitely give it a try!!!
