## **REPORT 4 – POST CHRISTMAS AND LAST MONTH**

It was January 7<sup>th</sup> the day we left Spain, was a great Christmas trip where I enjoyed the life in Spain and the opportunity to stay with my family and friends. The next days in Singapore I stayed enjoying with my family also until the Chinese New Year Celebration, that all family came back to Taipei to celebrate it with my wife's family.

The last month in Singapore was the most difficult period for me, I was missing my family a lot, I was thinking only to go back to Taipei and stay with my family and at the same time I had to say goodbye to all the friends I met in Singapore. Furthermore, I had at the same time some projects and presentations to do and I had to study for the final exams.

Even, my homesickness the last month, I would say I loved the city and its mixture of Asian and European culture in a modern and well planned city. I hope I can go back there and who knows maybe enjoy the Singaporean style of live.
