With experience spanning more than a century and an established track record of conducting high-quality research, we at Aalto University School of Business are well-equipped to educate the influential leaders of tomorrow.

The School of Business is the leading business school in Finland and ranks among **the best in Europe**. The School provides students with a **multidisciplinary**, international learning experience. The focus is on teaching through **real life challenges**, real cases and consultancy projects, in close cooperation with the business community and the rest of the society. The School of Business is a community of 3,500 students and 113 faculty members with approx. 600 international students a year, totalling 16% of the student body.

The Bachelor's Program in International Business

The Bachelor's Program in International Business (the BScBA Program), located at the Mikkeli campus, is one of the leading academic programs in Finland. The program is offering cutting-edge approaches to business education in a vibrant learning environment. Comprehensive teaching methods, international business studies and co-operation with local and international companies provide a solid foundation for working in demanding and international business environment around the world. The program offers a unique experience for students with an international atmosphere and beautiful four seasons in the lake area of Finland. The students in the program all major in international business and the language of instruction is English.

Triple Crown Status and Global Cooperation

Aalto University School of Business is the first business school in the Nordic countries to have received all three labels of excellence from the world's leading business school accreditation bodies: **AACSB**, **AMBA** and **EQUIS**. This Triple Crown status is an honour held by only a few business schools worldwide.

CEMS is a global alliance of leading business schools and multinational companies. The member schools together, in close cooperation, produce the CEMS Master's in International Management (MIM) programme. At Aalto students can do Master in Global Management (M.Sc.) or in any other major with CEMS MIM. The Aalto University School of Business is the only institution in Finland offering the programme.

Partnership in International Management (PIM), is a consortium of 65 top business schools from around the world that share reputations for academic excellence regionally and globally. The expertise acquired within PIM permits member schools to enhance their international commitment. The School of Business is a select member of the network.

- Elective studies: 12 ECTS

Courses

At the Mikkeli Campus the academic year is divided into 15 three-week modules and courses are offered throughout the year, also during the summer. The students study one course at the time in each 3-week module. For a typical module, classes for a 6 ECTS course are scheduled for three hours a day, five days a week, for a total of

45 contact hours, which includes examinations. Due to the intensive modular structure, attendance is mandatory and only few absences are allowed per course.

Each 6 ECTS course satisfies the ECTS student workload requirement of 160 average student working hours. The entire course related work (including exams) will be completed within the three-week module. There are no separate exam periods.

Summer Studies

Summer studies in Mikkeli offer unique experiences for exchange students with international atmosphere and beautiful endless summer days in lake area of Finland. During the summer, students can choose to come to study for 3–13 weeks (1–4 courses) and get 6–24 ECTS credits (no tuition fee).

Application and Admission

Application Information and Requirements

Students interested in an exchange at the School of Business should first contact the study abroad coordinator at their home universities. The School of Business accepts exchange students nominated by its partner universities only. After being nominated by the home university, the students will receive a link to an Online Application Form for Incoming Exchange Students.

The documents to be uploaded with the online application are:

- official transcript of records
- curriculum vitae
- certificate of English Proficiency or copy of the language test report
- photo
- course registration form (on the website Into)

Once the application is completed and approved, the students will receive the official letter of acceptance.

More information on the application process on BScBA Intranet: into.aalto.fi

Please note: Aalto University School of Business Mikkeli Campus exchange students are not able to take courses at the Helsinki Campus and vice versa.

Language Requirements

Although no official test records of English like TOEFL or IELTS are required, we expect nominated students to be proficient in English both in writing and in communicating in the classroom in order to complete the course assignments.

The home institution verifies students' proficiency prior to nominating them to Aalto. The expected level of English proficiency is equivalent to IELTS 6.5 (total), TOEFL 87 (total) or CEFR B2.

Visa or Residence Permit Requirements

Depending on the nationality and the length of stay, the student may need a visa or a residence permit. Students should immediately proceed with the visa/residence permit application after receiving the letter of acceptance as the process may take up to six weeks.

The application can be sent via the e-service of the Finnish Immigration Service and after that the student needs to visit the Finnish Embassy or consulate in his/her home country. Travel arrangements should only be made once the visa or residence permit has been issued.

Information on the process can be found on Finnish Immigration Service webpage: migri.fi

A student from an EU country or Iceland, Liechtenstein, Norway and Switzerland may reside in Finland for a maximum of three months without registering his/her right of residence.

Students from the other Nordic countries do not need a visa or a residence permit to live or work in Finland. Nordic citizens must register their stay if residing in Finland for more than six months.

Orientation and Tutoring

Orientation days are organized at the beginning of each semester. The tutoring service is organized in close cooperation with the Student Organization Probba. Each exchange student is paired up with a local student, who will act as a personal tutor. The tutor will contact the exchange student before his/her arrival by e-mail. The tutor will meet the exchange student when he/she arrives in Mikkeli and helps him/her to settle in at the beginning of the semester and with various issues throughout the exchange period.

Services on Campus

The building provides adequate space for a wide range of academic activities and student uses. On the campus there are also a library, a cafeteria, administrative support offices and student study rooms. IT services are provided in cooperation with Aalto IT, and the Mikkeli Campus is a part of the Aalto University network offering the same services as other campuses.

Benefits for Students

Exchange students are entitled to discounts in transportation and student-priced meals in student cafeterias. Students may join the Aalto University Student Union (AYY). The student union organizes many leisure time activities such as parties, field trips, sports and cultural activities.

Probba is the official student organization of the School of Business BScBA Program at the Mikkeli Campus. The main responsibilities of the organization include promoting the general well-being of students, organizing events, being a link between the staff and the students and arranging orientation and tutors for incoming exchange students.

About Living in Mikkeli and Finland

Housing and Living Costs

Accommodation is arranged by the local student housing company, MOAS Ltd. Students apply for the accommodation through MOAS: moas.fi

Normally students stay in shared apartments near the campus. In shared apartments, students will have their own bedroom and share the kitchen and bathroom with 1-2 students. There are also single apartments available. The rent varies from 290-340 euros for a shared apartment and approximately 420 euros for a single apartment (the rent includes the electricity and internet connection). A monthly budget for exchange students would be approximately 500-800 euros per month (including accommodation, living expenses, course materials and personal expenses).

Health Insurance

Citizens of non EU/EEA countries who are studying longer than three months in Finland are required to have a valid health insurance when applying for residence permit. Students from EU/EEA countries are entitled to medical care while staying temporarily in another EU/EEA country with European Health Insurance Card (EHIC). Private insurance is however strongly recommended as an additional security.
