ERASMUS+ PAPERWORK

FOR STUDENTS GRANTED WITH AN ERASMUS+ SCHOLARSHIP

Co-funded by
the European Union

BEFORE THE MOBILITY

ERASMUS+ ACCEPTANCE LETTER

The Esade Erasmus+ acceptance letter will be available once the student has completed the application process and Esade has approved it.

The acceptance letter includes the official dates for the entire semester, not the specific dates of each student's stay. Please, note that according to the [Erasmus+ guidelines for Online Learning Agreement for Studies](#), **the dates of the entire semester cannot be taken into account to receive the Erasmus+ scholarship funds:**

"The start date should be the first day that the student needs to be present at the receiving organization (first course/first day of welcoming event or language and intercultural courses).

The end date should be the last day the student needs to be present at the receiving organization (last day of the exam period/course/mandatory sitting period)."

ERASMUS+ LEARNING AGREEMENT

Erasmus+ students will be asked to complete their **Online Learning Agreement** through the Erasmus Without Paper platform and following the dates set by Erasmus+.

Esade only validates learning agreements after the course registration (end-July) for Fall term, and end of November for students coming in Spring term.

Note for students: When filling in the Learning Agreement in your home university platform, it is very important that you correctly fill in the following fields:

- Name of the course
- ECTS
- Esade's Course ID: This is a number which usually starts with zero, e.g. "009842". It is important that you also include the zeros, as otherwise our system will not recognize it and the learning agreement will automatically be rejected. All the information needs to exactly match the courses that you are enrolled in at Esade. If there is not an exact match, the learning agreement will be automatically rejected.

The Erasmus+ Joining letter will be available for the student to download once their exchange has started. Therefore, the start date stated therein will be the first day of class, welcome event or language course, as stated in the [Erasmus+ guidelines for Online Learning Agreement for Studies](#).

AFTER THE MOBILITY

ERASMUS+ LETTER OF ATTENDANCE

The Erasmus+ letter of attendance will be **available the following day of the last in-person exam**, according to the enrollment of each student.

Please be aware that, according to the [Erasmus+ guidelines for Online Learning Agreement for Studies](#), the entire semester dates cannot be included in the letter. As indicated below, only the **actual, specific dates for each student based on his/her enrolment must be stated in the letter:**

*“The start date should be the first day that the student needs to be present at the receiving organization (first course/first day of welcoming event or language and intercultural courses).
The end date should be the last day the student needs to be present at the receiving organization (last day of the exam period/course/mandatory sitting period).”*
