ACADEMIC INFORMATION

CREDITS AND WORKLOAD

Learning activities are evaluated in credits:

→ 1 UQAM credit = 2 ECTS credits

A 3 credit course generally requires 45 hours of class work (i.e. 45 contact hours) and 90 hours of personal work, for a total workload of 135 hours.

FULL-TIME COURSE LOAD

At the undergraduate (Bachelor's) level, a full-time student must enrol in at least 4 courses (12 credits), the normal course load being 5 courses (15 credits) per semester.

At the graduate (Master's) level, a full-time student must enrol in at least 3 courses (9 credits), the normal course load being 4 courses (12 credits) per semester.

However, for the *Maitrise en comptabilité, contrôle et audit* program (French only), students can register to a maximum of 3 courses within the program, considering the intense workload. If the student needs to register to a fourth course, it can be selected amongst the ones offered in our other programs, if necessary.

EVALUATION OF STUDENTS IN COURSES

At the undergraduate level, the level of learning reached by students, in regard to course objectives, is indicated by letter grades:

→ A+, A and A-: Excellent

→ B+, B and B-: Very Good

→ C+, C and C-: Good

→ D+, D : Passable

→ E: Fail

→ S: Satisfactory

Grades C-, D+ and D are not used in the evaluation of graduate (Master's level) courses.

The following symbols are also used for transmitting technical information on grades:

→ I: Incomplete (forthcoming grade)

→ #: Authorized delay for grading

→ X: Authorized withdrawal from a course

→ ZE: Fail by withdrawing from a course

LANGUAGES OF INSTRUCTION

In undergraduate programs (Bachelor's level) and graduate programs (Master's level), most courses are taught in French. Some courses are taught in English.

FRENCH

Partner institutions whose main language of instruction is not French must ensure that all students planning to enroll in courses taught in French at ESG have intermediate level spoken and written French. This knowledge of French should be sufficient to enable the student to obtain a minimum score of 605 on the Test de français international (TFI) equivalent to the B2 level (Upper Intermediate) of the Common European Framework of Reference for Languages (CEFRL). This minimum score is presented as a guide. Although no specific test is required, a certificate attesting to the student's French language skills (oral and written) must be provided by a competent authority.

ENGLISH

Partner institutions whose main language of instruction is not English must ensure that all students planning to enroll in courses taught in English at ESG have intermediate level spoken and written English. The expected level of competency corresponds to the B2 level (Upper Intermediate) of the Common European Framework of Reference for Languages (CEFRL) and to the following major test score (presented as a guide):

→ TOEIC: 750 +

→ TOEFL (Paper): 550 +

→ TOEFL (Internet): 80 +

→ IELTS: 6,0 +

Although no specific test is required, a certificate attesting to the student's English language skills (oral and written) must be provided by a competent authority.

IMMIGRATION PROCEDURES

Students studying in Québec for a period of six months or more must obtain, before their arrival, an acceptance certificate (Certificat d'acceptation du Québec (CAQ)) from Immigration-Québec and a study permit issued by Immigration and Citizenship Canada. For details, see:

→ www.immigration-quebec.gouv.qc.ca

→ www.cic.gc.ca

ELECTRONIC TRAVEL AUTHORIZATION (eTA)

Visa-exempt foreign nationals who fly to or transit through Canada will need an Electronic Travel Authorization (eTA). Exceptions include U.S. citizens and travelers with a valid visa. The eTA is issued with the study permit. For more information concerning the eTA:

→ www.cic.gc.ca/english/visit/visas.asp

HEALTH INSURANCE

Exchange students at ESG UQAM are **obliged** to be covered by a health insurance plan. Two options are available:

1. Coverage by the Régie de l'assurance maladie du Québec (RAMQ)

The Government of Quebec has signed a series of reciprocity agreements with Belgium, Denmark, Finland, France, Greece, Luxembourg, Norway, Portugal, Romania and Sweden. Under these agreements, exchange students who are nationals of these countries are exempted from subscribing to a health insurance plan after demonstrating to the UQAM authorities that they have obtained a RAMQ card.

Procedures for obtaining the RAMQ card are presented in the International section of the ESG website under the headings International Students and Preparing your exchange.

Finally, please note that the deadlines for applying for exemption from the health insurance fee are October 15th (Fall Semester) and February 25th (Winter semester).

2. Coverage by the Desjardins Sécurité Financière (DSF) compulsory health insurance plan

Since subscription to a Canadian or a foreign health insurance plan, other than the DSF plan, is not accepted, exchange students are automatically charged a health insurance fee upon their registration to courses at UQAM. In 2022-2023, this fee was \$ 300 CAD per semester.

It should be noted that exchange students are covered by the DSF health insurance plan as long as their enrolment in courses is maintained. Students are no longer entitled to benefits from the DSF plan as soon as they cancel their courses. The DSF coverage is valid only for the period of studies. If the student plans to arrive earlier or leave later, he will have to obtain his own insurance coverage.

ARRIVAL AT THE AIRPORT

In the weeks preceding the start of the fall semester, students arriving at Montreal-Trudeau Airport can consult the officers stationed in two welcome booths to provide information and address immediate concerns (transportation to UQAM, temporary housing in Montreal, etc.).

There is no airport pick-up service for international students. However, this route is served by the Société de transport de Montréal (bus #747) with 24-hour service for \$10 CAD.
