COURSE ENROLLMENT

UE will provide the exchange student with updated information about courses and program days before the enrollment. The course registration will be done two weeks before the beginning of classes.

Please note the course selection form you send us before your students come to UE is for reference only. Courses offered are subject to change.

Due to potential course cancellations because of undersubscription, schedule classes, and limitations of room sizes because of oversubscription, we require that the students provide valid alternatives to each of their course choices. We will need the help of the home student's international office for pre-approving as many courses as possible for credit-transfer.

COURSES LOAD

Exchange students usually take 5/6 courses per academic semester which means full time dedication to studies and attending in average 20-26 hours of classes per week.

Minimum workload per semester	12 ESAN credits
Maximum workload per semester	21 ESAN credits
Credits per subject	3 to 4 ESAN credits (depending on the number of sessions per week)

A requirement to participate as an exchange student is to be registered with a minimum of 12 credits.

SPANISH CRASH COURSE

Universidad ESAN offers to its incoming exchange students a Spanish crash course ,which allows students to advance in their proficiency of the Spanish language. Courses are opened one week before the beginning of classes depending on the number of students interested. This course is optional and has an additional cost

In order to register, students must contact intercambio@ue.edu.pe, and they should take an online quiz one month prior the beginning of classes.

*This course is subject to changes and/or cancellations

EXAMS

Students must follow the dates and time stated in the syllabus and academic calendar, **no changes are allowed and no special early exams or resit exams are offered.** From the beginning of classes, the exam timetable is uploaded in our intranet: UE VIRTUAL.

GRADING

Students are permanently evaluated through their active involvement in class and conferences, quizzes, reports, written exams and other special assignments. Evaluation procedures and tools, and their relative value are established by each professor at the beginning of every single term and detailed in the corresponding syllabus. In addition to academic performance, evaluation also takes into account the ethics and sense of responsibility students demonstrate in class.

At the end of the period of study, UE provides the sending institution a report of the courses taken and grades achieved by each exchange student. Transfer of academic credits is determined by the home institution.

GRADES	ESAN GRADES	
A	18 - 20	PASS
B	16-17	
C	14-15	
D	12-13	
E	11	
F	0 - 10	FAIL

Our grading scale goes from 1 to 20, where 11 is the minimum passing grade.

WHEN WILL TRANSCRIPTS BE SENT TO THE PARTNER UNIVERSITY?

Exchange students have the possibility to check their transcripts on UE Intranet during the semester. Transcripts are sent to partner universities (virtually) only once the exchange students has completed all administrative procedures, paid all required fees and given books back to libraries.

- Mid-August: for 1st semester students
- Mid-January: for 2nd semester and full academic year students

BACHELOR PROCEDURE FOR DOUBLE DEGREE PROGRAM

According to the agreements with the partner universities that establish the recognition of the studies and diplomas issued, international students who have completed the Double Degree program at the ESAN University must apply for the ESAN Bachelor after completing their studies and obtaining the diploma of degree at your home university, within a period of two years according to the calendar provided by the ESAN University.

To obtain the bachelor degree, the student must culminate his/her studies and get his/her bachelor degree at their home university.

Once the student has the bachelor degree, he/she must request the information of the documents and process that must be followed to the International Office of ESAN, to the email: intercambio@ue.edu.pe

FACILITIES

INTRANET: UE VIRTUAL

All exchange students will be given a user and a password to access the UE virtual platform where they can check their courses and material uploaded or any other announcement. They will also be given an UE email address on which they will regularly be contacted by administrative and academics. It is responsibility of the students to check their mails. The link is: <http://uevirtual.ue.edu.pe/>

INFORMATION SERVICES
