<p>Language requirements</p>	<p>An adequate level of (spoken and written) German is required, as most of our courses are held in German. We do not require a language certificate however – neither in German nor in English.</p>
<p>Course catalogue</p>	<p>All courses: https://orawww.uibk.ac.at/public/ifuonline_lv.home</p> <ul style="list-style-type: none"> By clicking ‘advanced search’ students can also choose the option ‘Language of instruction’ and change it to ‘English’, ‘French’, ‘Russian’ etc. → A list with courses taught in English will be available after clicking ‘Search’. <p>Exchange students should ideally take between 16 and 30 ECTS credits per semester but they do not have to come from their major. They can also take interdisciplinary courses that are open for students from all fields or even courses from other faculties to a certain extent.</p>
<p>Housing (VERY IMPORTANT)</p>	<p>Finding accommodation is a very difficult issue here in Innsbruck. The students must apply <u>as soon as possible after their nomination</u> to get a room in a student dorm.</p> <p>Students must send the reservation deposit immediately → otherwise the application will not be handled. The rooms are allocated on a first come, first served basis.</p> <p>Please visit the following link for more information: https://www.oeadstudenthousing.at/en/accommodation/innsbruck/</p> <p>Due to the tense housing situation in the first semester, we would highly recommend that students apply for the summer term. Ski and winter sport enthusiasts should know that snow conditions will be good and most ski resorts will be open until mid- or even end of April.</p>

	<p>Free market: Renting a room or apartment on the free market is very difficult and expensive, especially when you wish to rent for less than 12 months and need furnished accommodation.</p> <p><i>The Austrian student union has a website with private room offers and there are some Facebook groups: Wohnungsbörse Innsbruck or Innsbrucker Wohnungsmarkt on Facebook. A lot of the content is in German but using the Google translate browser plugin usually helps. You might also find favourable monthly rates on AirBnB. Innsbruck is generally quite a small town, so it does not really matter which part of town you live in. You can find a map with all the campus locations here: https://www.uibk.ac.at/universitaet/standorte/daten/stadtplan-info.pdf</i></p> <p>PLEASE NOTE: We had some online frauds on different websites lately. The room looked beautiful, but it did not exist. So please pay attention and be careful with housing offers especially when you are asked to transfer money. Be careful if you are asked to transfer money to an account, which is not Austrian. (Austrian IBAN numbers start with the country code "AT".)</p>
<p>Visa requirements & health insurance</p>	<p>Visa information: Students from outside the European Union can contact the consulate section of the Austrian embassy in their home country for all visa matters. Find the Austrian representation in your country and read up on general visa requirements for students before contacting them.</p> <p>Health insurance information: → for EU/EEA/Swiss nationals → for third country nationals</p>
