

March to May: Exploring

There is a long vacation in Spain every March. I took a trip to Iceland. It was my first time taking a budget airline, travelling on my own, seeing glaciers and aurora, and the craziest-hitchhiking!!

This country is the most beautiful place I've seen, by hitchhiking, you can add more surprises to your trip...but I don't really recommend doing it during March... It was super FREEZING. If you still want to do it, contact me and I can share my story to you.

I saw aurora three times. Super lucky.
