## 104 學年度 商 學院 英語授課課程大綱

課程名稱 Course Title 模組 個 期	(中文) 總體經濟學			
	(英文) Macroeconomics			
課程目標 Course Objectives	This course is an intermediate course in macroeconomic theory. We discuss various economic models that describe the behavior of aggregate economic variables such as output, unemployment, inflation, and the exchange rate.			
課程大綱 Course Description	The course is broken into four parts. The first part covers the classical theory in the long run. The second part discusses the growth theory in the very long run. The third part studies the theories of short-run business cycle and its policy implications. Lastly, based on these economic models, we discuss the recent development in macroeconomics, with a special focus on the recent financial crisis. This course is designed for junior and senior students majoring in economics and requires basic knowledge of calculus. (Supplementary math review may be conducted during the class, depending on students' needs.)

課程要求 Course Requirements	<p>Students are expected to (1) regularly attend the classes, (2) submit his/her own homework, and (3) take midterms and finals. The details of each elements are listed as follows:</p> <p>(1) Class Attendance: Class attendance is strongly recommended. Students registered for the course who do not regularly come to the class may receive a grade of ND. However, I do not take attendance in a regular basis and the grades are granted based on exams.</p> <p>(2) Homework: There will be 3 homeworks during the semester. Late homeworks will not be accepted for any circumstances. The tentative schedule of homework is as follows: 1st Homework: (10/6, due 10/13), 2nd Homework: (11/17, due 11/24), 3rd Homework: (12/29, due 1/5)</p> <p>(3) Policy on exam: The dates of the midterm and final exams are fixed. Students who experience a serious medical condition that requires immediate attention from a physician, or an emergency that prevents them from taking the exam may be excused. However, students must contact the instructor before the exam and must verify their condition by official documents. No exceptions will be made for job interviews, holiday travel, or other non-academic activities. When a student is properly excused from an exam, no make-up exam will be offered. Instead, his or her course grade will be adjusted based on other exams and homeworks. If, after reviewing the exam answers, a student feels that there is a grading mistake on his or her exam, that student can submit a re-grade request. The student must submit a written discussion within one week from the time at which the exams are handed back. When regrade request is accepted, the entire exam will be regraded, which could lower the score as well.</p>
